

PennSew is one of the largest industrial and commercial sewing machine dealerships in the country. For over 30 years, we have been supplying both **new and fully reconditioned** industrial and commercial sewing machines to the sewing industry. We offer warranty programs with every machine we deliver.

PennSew is proud to offer a full line of commercial and industrial sewing machines including:

- BROTHER
- JUKI
- DURKOPP ADLER
- MITSUBISHI
- PEGASUS
- YAMATO
- SINGER
- CONSEW
- MERROW
- PFAFF
- ...and many others

PennSew also carries a full line of industrial and commercial sewing machine parts, needles, and attachments for virtually every brand of sewing machines ever made. We also carry cutting room suppliers for **Eastman** cutting machines, **Unicraft** and **Philocraft** cutting tables. Call our Parts Department for further information at 724-746-8800.

We assure you that our prices on both genuine and generic sewing machine parts are the most competitive in the industry because we are authorized competitive distributors for **Brother**, **Juki**,
Mitsubishi
and all other major brands.

We gladly offer technical assistance, service, and repair on all brands of industrial sewing machines. We can supply photos of any machine in our inventory encompassing over 15,000 sewing machines in stock.
